Professional Summary

Dedicated Administrative Assistant with over 3 years of experience in school environments, specializing in SA-SAMS data management, technical support, and office operations. Skilled in maintaining accurate learner records, troubleshooting IT issues, and supporting educational staff. Committed to enhancing administrative efficiency to support A company's mission and vision

Key Skills

- Proficient in SA-SAMS for data updates and learner record management (I am a fast learner and know I would be able to adapt to any administrative system used in a company).
- Advanced computer literacy (Microsoft Office Suite: Word, Excel, PowerPoint)
- IT troubleshooting, hardware/software maintenance, and user training
- Strong communication and interpersonal skills for stakeholder engagement
- Excellent time management, multitasking, and problem-solving abilities
- Data entry and record-keeping in educational contexts
- Critical thinking tailored to special needs education environments

Professional Experience

Administrative Assistant

Thulisa Primary School, Gauteng | June 2025 – Present

- Operate printers and maintain teacher laptops with updated software/drivers, minimizing downtime and enhancing productivity.
- Update SA-SAMS data and capture learner academic records accurately, ensuring compliance and efficient reporting.
- Provide technical support and train staff on computer use, resolving issues to maintain smooth operations.
- Address office needs and troubleshoot IT equipment, contributing to an organized administrative environment.

Administrative Assistant

Thokoza Primary School, Gauteng | February 2023 – August 2024

- Managed printer operations and teacher laptop updates, ensuring reliable access to educational tools.
- Captured and updated learner records on SA-SAMS, improving administrative efficiency.

- Performed maintenance and repairs on technological equipment while providing technical support and training.
- Handled troubleshooting and office requests, streamlining school workflows.

Computer Technician / Client Service Consultant

NEBSOL IT Solutions, Gauteng | February 2020 – May 2021

- Engaged clients to identify needs, building productive relationships and generating leads.
- Installed and configured hardware/software, performed upgrades, and provided technical support transferable to school settings.
- Maintained and repaired equipment, reducing operational disruptions.

Firstjob Cost Accountant

First National Bank, Gauteng | July 2018 – June 2019

- Developed and maintained cost models, managing allocations and analysing variances for decision-making.
- Produced monthly reports and ad-hoc analyses to support strategic operations.
